CORRESPONDENCE

- The regional police force survey has been completed and the individual municipalities will be contacted.

OLD BUSINESS - There was a discussion about the local recycling program. Upper Paxton Township is storing the last collection because the County does not have a driver available to make a pick-up. Upper Paxton is also looking for other municipalities to help out with the collection days.

NEW BUSINESS – There was a discussion about looking into the possibility of a joint Gaming Grant application for a piece of equipment that could be shared among the municipalities. At this point we are looking for equipment ideas and suggestions.
